

MALRC On The Move

Welcome

Volume 2, Issue 2, March 2006

Santo Domingo, República Dominicana

The Inter-University Program for Latino Research (IUPLR) held their Annual Co-Directors' Meeting this year in Santo Domingo in the Dominican Republic. This was a four day event in which different topics regarding Hispanic issues across the nation were discussed. These topics ranged from AIDS and the National Latino Overweight and Obesity Education and Prevention Campaign to Summer Workshops and the National Hispanic Educational Alliance.

MALRC became a part of IUPLR January of this year.

We would like to thank the wonderful welcome we received at the Annual Co-Directors' Meeting. Our time together is one of the most valued. Thanks!!!

We look forward to seeing you on our next adventure.
