## MALRC On The Move

---

### Welcome

Volume 4, Issue 1, May 2008

It is a pleasure to announce the new MALRC Fellows for Spring 2008. As you can read below, the Principal Investigators and Co-Principal Investigators come from a wide range of Colleges and Departments, and their studies involve leading-edge work in the study of the Latino population. My congratulations to the Spring 2008 Fellows for their awards.

The title of MALRC Fellow is in addition to any title the awardees hold and is valid for three years. As a MALRC Fellow they will receive training in developing their grant writing skills through the Office of Proposal Development/MALRC Seminar Series. The Seminar will meet once a week for five weeks.

Sincerely,

**Edward Murguía, Ph.D.**  
**Director**
